Our credit score is 640 making my interest rate 14.82

credit score: advantage~ average credit score; better than many of the credit scores & actually qualify for loans disadvantages ~ the interest rate is moderately high & that's a really bad thing when it comes to loans because you end up paying more.

loan term: Its \$427 a month for 5 years

The cost of your credit: 17,997

Our budget is \$580 and it fits because that's the exact amount of our car. Things that we cut out was phone, cable, dining/eating out, and we don't have any kids so we got \$95.
